

# Attention!!

## Disaster Prevention Information Communication Training

### December 20 (Fri)

### Around 14:00

Prefecture-wide training

**As soon as the earthquake warning goes off on your mobile phone, the training will start**

※It is not the actual sound of the early earthquake warning system

### Training participants, please take cover!!

(For about 1 minute)

「Crouch down」

「Cover your head」

「Hold on」

**Note: The alarm will ring even on silent mode!**

Please turn off your phone in public facilities

**Do not use your mobile phone while you are driving a car!**

**Pull over to the left-hand side of the road when you need to use your phone.**

You can also use the  
"Disaster Message Board" and  
"Disaster Emergency Message Dial"  
on the day of the training.
