Tokushima Prefecture
Disaster Prevention Center

Study Tour

If an earthquake or other natural disaster occurs, what will you do?

The Tokushima Prefecture Government, in conjunction with the Tokushima Prefectural International Exchange Association (TOPIA), is proud to announce a study tour for foreign residents at the Tokushima Prefecture Disaster Prevention Center to provide information on what to do in case of a natural disaster.

During this study tour, you will be able to experience simulated earthquakes, strong winds, learn how to extinguish a fire, and more.

After the tour, NHK Tokushima will give a presentation on how to use portable toilets in an emergency situation.

Let's learn about the importance of disaster preparedness together!
